## PUBLIC SERVICE COMMISSION OF SOUTH CAROLINA COMMISSION DIRECTIVE

ADMINISTRATIVE MATTER		DATE <b>March 04, 2020</b>	
MOTOR CARRIER MATTER		DOCKET NO. <b>2020-61-E</b>	
UTILITIES MATTER	<b>✓</b>	ORDER NO.	

## **SUBJECT:**

<u>DOCKET NO. 2020-61-E</u> - <u>Request of Lakeview Retirement Community LLC for Exception to Commission Regulation 103-327(A)</u> - Staff Presents for Commission Consideration Lakeview Retirement Community LLC's Request for Exception to Commission Regulation 103-327(A), along with the Request for Expedited Consideration.

## **COMMISSION ACTION:**

DDECIDING, Dandall

Move that we approve the requested exemption to requiring individual meters of this multioccupancy residential premises pursuant to 103-327(B) on the basis of the all-inclusive nature
of the rental arrangement between Lakeview and its residents. The all-inclusive rental
arrangement provides that residents are charged a flat monthly rental fee which includes all
utilities (except personal telephone), all meals, housekeeping, and a list of other amenities.
Lakeview states that it will not bill residents separately for electricity. Further, since
construction has begun with the single meter concept, the increased additional cost of
switching to individual meters leads me to conclude that individual meters is impractical.
